

Summer Social Studies/Religion Assignments

Social Studies & Religion Current Events

Find an article about religion and an article about a national or world event that occurred over the summer (June – August 2018)

Areas where you may choose your assignment:

- *Religion*
- *World or National Events*

NO SPORTS OR SCIENCE!

➤ **Your assignments MUST BE TYPED (12pt font size) and printed on plain, white paper. No colored, lined or ripped paper! Each current event should be typed on a separate sheet of paper. Neatness counts.**

You need to include the following information in your current events to receive full credit.

HEADER (left side of paper)

- Your Name
- Article Title
- Date Article was Published or Written
- Source of Your Article

PART A

A complete paragraph summary of the article in your own words. Cutting and pasting is not acceptable. Your summary should highlight the main points of the article.

➤ **Part A must be a minimum of twelve (12) complete sentences in length.**

PART B

Give your opinion or reaction to the article you chose. What did you learn from the article or what surprised you about the article? I do not want seven sentences of fluff!

➤ **Part B must be a minimum of seven (7) complete sentences in length.**

Have A Nice Summer 😊
