

Welcome St. Raphael's Families,

We would like to welcome you to the Tastes of Tampa Bay Lunch Program. It is our pleasure to be able to serve your children for the 2022/23 school year. We are here to work with you in any way that we can. We are a local catering company that has been around for decades and have worked with many schools in the Tampa Bay area along with other corporations like the Bucs and Rays.

The current menu is for the first week of October. Going forward we will be doing a two week rotation of menus. All of the main meals come with sides and a water. All of the sandwiches come with chips and a water. All salads come with a water. We offer ala carte items and drinks for preorder as well. If you would like us to start offering other items as ala carte, please let us know and we will do our best to provide it. To order go to www.orgsonline.com. Sign up as a new family. When ordering as a new family you will need the school code: **540SRCSFL**.

One of the big questions we get is the absence of a child. We have a strict policy on attendance. If you preorder and do not show up for your lunch we do not give credits **unless** we are informed before 9a.m. that day. As long as we are informed by then you will receive a credit towards future purchases.

If your child has certain medical/allergy restriction or other dietary needs please inform us right away or ask about certain items on our menu. We have certified chefs in our kitchens and have worked with all types of dietary needs in the past.

For all questions we can be reached at streetsurferft@gmail.com. Since we travel between multiple kitchens please give us a few hours to respond but we will get to your emails as soon as possible.

We always welcome any insight you may have along the way so that we can always improve our services.

Thank you for your time.

Sincerely,

Jake Samuels & Rocky Casselman
