Dear Families,

Welcome and thank you for your interest in St. Raphael Catholic School. We have a long history of serving families of St. Petersburg and are excited about the possibility of providing for the educational needs of your family.

St. Raphael Catholic School offers students/families an educational environment that is relationship oriented. We are a school and parish community rich in tradition, dedicated to faith and family. We are a learning community that believes each student is a unique child of God. We provide a strong Catholic education which allows students to develop our Guiding Principles of Faith, Academics and Community.

We are deeply rooted in the tradition of excellence and commitment to our mission of:  
***Christ is the cornerstone of St. Raphael Catholic School, where we empower all to strive for academic excellence, provide faith-filled service to others, reflect Catholic values and become responsible leaders of the Church and Community.***

I am honored to be principal of this school. As principal, I pledge always to put God and kids first. Since God is the reason for this school and reflecting on Matthew 19:2 "for with God all things are possible", I am confident with God as our guide that the possibilities for success are endless.

As you consider your options for your family, please know that all of us here at St. Raphael Catholic School feel incredibly blessed to serve the families of this community. Our goal will always be to serve those who join our community. We would be honored to be partners with you in the education of your children.

If you would like to learn more about our school, please contact us at (727) 821-9663. We would love to give you a tour and share more about our school with prospective students and families. We look forward to meeting you and personally introducing you to the blessings of St. Raphael Catholic School.

Prayers,

Patricia L. Mychack, M.S.
