

**FLORIDIAN COAST**  
CATERING Co

Hello St. Raphael's Families!

We are Floridian Coast Catering Company, and we are excited to be your catered lunch provider for the 2023-2024 school year! We have several years of experience serving private schools, churches and events throughout the Tampa Bay area. Another fun fact is that we are also a St. Raphael's family! Many of you know Ms. Jordi who will be working in the school cafeteria again this school year!

We are committed to providing the best level of service for you and your children. We have listened to feedback from previous years and have made some significant changes for this year's program.

First, all orders will run through your family's current FACTS account! This means no separate website for your daily orders or entering your credit card or bank account information.

Secondly, you will now be able to order your students' meals up to 8am THE DAY OF! That means when you are rushing kids off to school in the morning, you will now have the option to log-in right after you drop your child(ren) off and ensure they have lunch for that day.

The attached menu is for the month of August. All main meals come with sides and bottled water. We offer a la carte items and drinks for pre-order as well.

**If your child has certain medical/allergy restriction or other dietary needs please inform us right away or ask about certain items on our menu.**

For all questions, we can be reached at [floridiancoastcateringco@gmail.com](mailto:floridiancoastcateringco@gmail.com).

We look forward to serving you this school year!

Sincerely,

Rocky and Jordi Casselman
