Dear Families,

It is with joy and gratitude that I would like to welcome you to St. Raphael Catholic School. We are celebrating this year our 60th anniversary: it is a history of education, relationships, and a community that supports and welcome our members in a faith-based environment.

With Christ at the center of our school, as our mission statement highlights, we would like to offer a welcoming and warm environment where learning is an experience of communion, to be achieved with the help of the other students and teachers. St. Raphael Catholic School strives to promote an inquiring and curious gaze on reality to help our children to achieve academic excellence while discovering and developing their passions and interests and using them to serve and support the world. Every member of the school community (teachers, staff, parents, students, parish community) is part of this wonderful journey and we look for the contribution of everybody as an opportunity for our students to grow in curiosity about reality and to discover and develop their talents and interests. Throughout the year, and during their learning journey, we would like, with the support of the families and the parish, to educate students to be willing to be protagonist in the world, and to best serve it with their own skills and desires.

We are very excited for the learning journey of our students. We look forward to meeting all prospective families and students and offer tours to share about our school and community. Please, feel free to contact me with any questions you may have (principal@st-raphaels.com), or to call the office at (727) 821-9663.

We look forward to meeting you in person and share this wonderful journey.

Go Royals!

Blessings,
Mr. Luca Tizzano
M.Ed Principal
