FLORIDIAN COAST
Catering Co

Hello St. Raphael's Families!

We are **Floridian Coast Catering Company**, and we are excited to return as your catered lunch provider for the 2026-2027 school year! We have several years of experience serving private schools, churches and events throughout the Tampa Bay area. Another fun fact is that we have been a proud Royal family since 2022, with our oldest son Mack attending 3rd grade this year!

As in previous years, all orders will run through your family's current FACTS account. This means no separate website for your daily orders or entering your credit card or bank account information. A how-to guide is attached to this message as well for any first-timers.

To any of our new families, welcome! We allow you to order your students' meals up to 8am THE DAY OF! That means when you are rushing kids off to school in the morning, you have the option to log-in right after you drop your child(ren) off and ensure they have lunch for that day – no need to plan weeks or days ahead of time.

Each day, we feature a main meal, three different salad choices and a sandwich or wrap. In addition, you can always order a PBJ, ham and cheese or turkey and cheese sandwich. We also offer a la carte items such as chips, fruit, cookies and drinks for pre-order or add-on at lunchtime as well.

Students 3rd grade and older are able to order a-la-carte items at the counter without pre-ordering. Please have a discussion with your student if you do not wish for them to add on any items. Any additional items will be billed to your FACTS account.

If your child has certain medical/allergy restriction or other dietary needs please inform us right away or ask about certain items on our menu.

For all questions, we can be reached at floridiancoastcateringco@gmail.com or 727-492-3002. As we serve several schools, please ensure you notate which school and student you are messaging us about and we will respond as quickly as possible!

We are also available for outside catering events and are happy to offer discounted rates to our school and church community!

We look forward to serving you this school year!

Sincerely,

Rocky and Jordi Casselman
